

IN 782: Gospel in Context

August 2018

3 Credits, letter grade only

Prerequisite: IN 581: Theology of Mission & Evangelism or IN 520: God's Redeeming Mission

Course Description

Wherever one does ministry, the character of the context shapes the forms of evangelism and mission that are viable, appropriate, and faithful. This course explores the work of contextualization—how the gospel is proclaimed and embodied contextually. This course includes an **immersion trip, August 10-14 in Dane County, WI**, as well as classroom sessions to help students develop an initial skill at exegeting contexts for Christian ministry. Building on a theological foundation, it considers how context is reflected in the forms of ministry and witness observed. Cost per person for the immersion, to be billed to students by the student accounts office, is \$350.00. The prerequisite is Theology of Mission and Evangelism (IN581) or God's Redeeming Mission (IN520). Section assignments for all will be determined by the instructors.
